Chocolate boy
You fell into the summer
And neither neither none
Of all the good you've done
Could turn our happy factory
Once again from bumper

Paper man
Exposed a nasty rumor
Of all the fouls we cried
Belied and Bowdlerized
For our hypocrisy
And nepotistic humor

The best of opera
And dutch chocolate finger play
The test at the exit
Of the entrance we will know
A concrete heart sinks slow

And chocolate kings adore
A chocolate painted floor
A look out down before
And then the summer made
A chocolate boy no more
