Crutch came slinking round my house last night
Told me to get up and ready to fight
Little did he know
I was happy with you
Little did he show
Now Im going all the way, hey hey
Now Im thinking maybe I should leave
Crawling backwards into my coatsleeve
Little did we say
But I would pack you up and leave
Little did we know
Who owes, but it's okay
And it's all wrong
And so I'll stay
And now I know you're not leaving too soon
Grab your dreams and cast your cash away
Bring your hopes heres hoping you will stay
Im not angry now cause
Im not worried
