Do something real Sidewalks chasing citizens racing Do
something real Bloodhounds closing in on opposing
men Do something real Crows like rats like cats on
vacation Do something real You've been scrapped
I'm trapped at the station Small claims courts
community snorts It's fine when it's so
concealed Extra special happiness Defined by an
endless field of nothing real Do some thing real Crap
stripe exits examiner expects it Do something real Plot
of rockets holy ghost markets Small claims
courts... You'll die or you won't You try or you
don't Do something real
