Everywhere is miles from everywhere,
Notice Iâ€™m a distance A to Z.
No directions to a cup of tea,
Everywhere is miles from everywhere.

There is fornication, no concept, no key,
Common thoughts make no common notes or sense in
anything.

In the liquid farris you swept
Every door comes closer even yet.
I will bring you a rabbit you can bend.

Everywhere is miles from everywhere,
From the kicked up to the final gun.
Daily until no one left to run,
Everywhere is miles from everywhere.

There is fornication, no concept, no key,
Common thoughts make no common notes or sense in
anything.

In the liquid farris you swept
Every door comes closer even yet.
I will bring you a rabbit you can bend.
