Exploding anthills in my head  
I'll tell you later  
Now I'm dead  
I call girl with x ray hair  
Call again but she's not there

It's all it breaks (?)  
Infibulates  
Thing thinking  
A thing thinking  
A thing thinking  
A thing thinking

She gave me things that made me dig (?)  
Magic vestibules and horses wig (?)  
A shredded box from the raging wood (?)  
On an ant from a smashed car ???

And at the equinox  
Can't reach the PO box  
A thing thinking  
A thing thinking  
A thing thinking  
A thing thinking...
