Fly into ashes, oh
They will polish you brightly wherever you go
Their ashes come true
They'll bring knowledge unto you wherever you know

Unofficial study guides will help you
When you're ready, boy
Superficial lacerations, they won't hurt you
Exert you into growing out

Fly into ashes, oh
They will follow you into wherever you flow
To ashes so slow
That the knowledge you acquire to help you

Ceilings now are clawing gold
They need something reverent and bold
Holding out for the heaven to unfold

Unofficial study guides will help you
When you're ready, boy
Superficial lacerations, they won't hurt you
Exert you into growing out

Ceilings now are clawing gold
They need something reverent and bold
Holding out for the heaven to unfold
