So sick of calling your name  
That I think I would find you gone  
If you're sad and ??it better be king??  
Like I play  
And I play right along  
And it doesn't matter what's said or done  
As long as you've had your fun  
???? your name and I look out and find you're gone  
If you're sad and ??it better be king??  
Like I play  
And I play right along  
And it doesn't matter what's said or done  
As long as you've had your fun  
You know that you've had your fun  
You've still got your gelatin, ice cream, plum  
You've still got your gelatin, ice cream, plum  
You've still got your gelatin, ice cream, plum
