Hey, Baby
Why you tellin' me lies?
Hey, Baby
Why do i have no alibi?
She's insane
I believe that she comes around
Thou angel
I believe that she comes around
Hey, Baby
Why are you treating me so bad?
Hey Sugar
Sometimes i feel like I'm mad
Show me love
All in in a run of days of rain
Lay it down
All in the pain and play it right
All in a chance
There would she do the same?
There will i do the groove by candle light
This place!
