The tension was pretty tight
Leave you hangin without a fight
Give it all up cause there's no living in
The world of artie
No giving, acquitting (are you quitting)

{chorus}
I certainly hope not ohhh noooo(*3)
Ohhh ohhhh

There's so many things people say
Just to help give it away (but get in the way)
I won't try to figure things out
It's complicated so when doubt (i did)
I start crying
Stop lying (trying)

{chorus}

Attracted to the light
Everything will be alright (where everything with you -
all right)
Attracted to the light
Everything will be alright (where everything will be)
Attracted to the light
Everything will be alright
