I heard you what the problem is I didn't hear you
both You're coming through Like weird electric
jive Bumping your role I'm playing your role Will you
love me come saturday Yeah I know it's too hard to
plan it And will the attachment stay attached Until
destroyed by a match Watch it burn a light in the
night Watch it burn a light in the night Fire cleanses a
soul Fire cleanses a spirit But I don't wanna hear
it Through a box with wires I wanna taste it with my own
two eyes Burn baby burn Burn baby burn baby burn baby
burn
