(I didn't get much of this song, which is a shame, because tobin sounds so overwrought whilst singing what sounds to be total gibberish.)

One more, man! yeah! one more! blah blah....
Cling to the spring boy
Lost a couple of cells in jail
Bb groovy with matter on a sailing sky
Enliven jabberstroker

Sinking around you now
Around you now
Around you now
Sinking around you now
Around you now
Around you now

Wings the wise nail, boy
Found a people ? ? bell worth ? ? ? fighting for
Take the fast track, fucker
Assess your privilege and take the fast track
Hes the one with the talking rock bowl
Clings to the edge of the pool
Brett/bread gace/gays/gaze ? ? ?
Seven number ones
The cause of banners
Found the chick to protect fighting for
Around you now
Around you now
Around you
Sing it boy
Around you now
Around you now
Around

On a silent sky, the night, the fast rack, think of it lightly
boy, ? ?
(lost track of what they were saying)

Dig the fast track bubble
Dig the fast track bubble
Dig the fast track bubble

Dig the fast track bubble
