Visit "[Liar's Tale](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Let me tell you a story  
Conclusive, based on fact  
Long ago in the morning  
She left did not come back  
I don't really care anymore  
I don't really care anymore  
Change the days into nights  
And you will know when the feeling is right  
This tale is too long  
The plot is weak and the characters wrong  
I don't really care anymore  
I don't really care anymore  
But she changed my life  
I thought she loved me  
And I will pray for you  
You'll see the truth  
Cause that's how it's got to be  
Oh oh oh yeah ooh  
Let me tell you a story  
About the way she was  
Let me tell you a story  
About the way she was
