In my life I've seen people rushing painfully
Trying to be happy -- but they're never happy
Pushing to clear a path, hurting without knowing
Like I do, like I do, like I do, like I do

Everybody wanting something, with no regard for
anybody at all

Years go by and mistakes are repeated over
Until they're corrected -- but they're never corrected
In my life I've seen people rushing painfully
Like I do, like I do, like I do, like I do

[Everybody wanting something, with no regard for
anybody at all]
