Hey, little girl won't you say when you know that?  
It's so hard to believe that it's so sad  
And I know that you're believing in something  
It's just so hard to believe in a nomad

I don't care what you do anymore  
I don't care, I don't care

Hey little girl would you just stop and lay back  
It's so hard to believe that you're so sad  
And I know we just keep talking about it  
[Incomprehensible]

I don't care what you do anymore  
I don't care what you do anymore  
I don't care what you do anymore  
I don't care, I don't care

Hey little whirl I reach for you and you jump back  
It's so hard to believe that you're so sad  
And I know we will talk about it someday  
A little whirl we can do something about it

I don't care what you do anymore  
I don't care what you do anymore  
I don't care what you do anymore  
I don't care, I don't care
