In the sight it's a light it's true  
In and out goes to one not through  
I hope you see it  
And I you free it  
And I hope you ??? it down

??? like you  
It's true and others like you  
??? you want it  
Now I'm gonna miss you  
And you are the one and it...

(appears to give up)

Dream session number three  
She's waiting alone for me  
???  
Sensation number three  
I'm waiting for good alone (?)  
???  
???  
(gives up again)

??? time to leave you  
??? on the wall  
??? the saddest night exiting  
On the wall

You can tell them by speaking  
You can tell them by weeping

???  
In the middle you will meet a happy (?)

You can tell them by speaking  
You can tell them by weeping
