Roll out the pain killers
We'll have a killer wig out
Sleepy boys don't look
It's not enough said

Or a statistical occurrence
It's octopus, caveman
Drinking with the enemy
He's got a girl on every arm

He sits down and circulates
In the office of hearts
He's case closed middleman
In the office of hearts
He'll steal you away

(He sits down and circulates)
Come feel the softest parts
In the office of hearts

(He sits down and circulates)
Come feel the softest parts
In the office of hearts
