Come on over tonight
We'll put on some Catt Butt and
Do it up right
No need to get all caught up
In societies stipulations
You're a member of the freak generation
You're gonna burn to have delation

When the pendulum swings it cuts
When the big door swings open and shuts
Yeah, we'll be middle-age children
But so what

I haven't changed so drastically
They can talk so sarcastically
They'll bust up
But we'll bust in
Get my down back up again

When the pendulum swings it cuts
When the big door swings open and shuts
Ohhhh, we'll be swollen ?
But so what

When the pendulum swings it cuts
When the big door swings open and shuts
Yeah, we'll be middle-children
But so what
Ohhhh, we'll be swollen
But so what.
