Oh, to lift me over lines I shall not cross
You can't mean that
If it causes pain @ any cost
You can't mean that
There is
A guide(/guy?)
Who comes around and counts(/pounds?) you
Knows your name
Assigns a descriptive sign
But it's so hard to analyze that sign
Were you perfect this time?

Oh, to lift me over lines I shall not cross
You can't mean that
If it cause pain @ any cost
You can't mean that
There is
A guide(/guy?)
Who comes around and counts(/pounds?) you
Knows your name
Assigns a descriptive sign
But it's so hard to analyze that sign
Were you perfect this time?
Perfect this time?
Perfect this time.
