Sometimes I cry because you don't love me no more  
And sometimes I'm dyin' -- I'd be lyin' if I tried to ignore  
The hurtin' inside that started when you walked away  
And each night reminds me -- it's behind me, but I  
need you today  
[I need you today]

Every moment speaks hovering silently in the air  
The wind hammers like a drum  
Every highway leads into a darker sea of despair  
Turn you back to where I come from

[Sometimes I cry because you don't love me no more  
And sometimes I'm dyin' -- I'd be lyin' if I tried to ignore  
The hurtin' inside that started when you walked away  
And each night reminds me -- it's behind me, but I  
need you today  
I need you today]  
Everything she said twisting around and turning inside  
my head  
More confused than yesterday  
When I go to bed the trucks on the freeway sing me a  
song  
This rock just ain't a safe place to hide under anymore  
[Ain't a safe place to hide anymore]

[Sometimes I cry because you don't love me no more  
And sometimes I'm dyin' -- I'd be lyin' if I tried to ignore  
The hurtin' inside that started when you walked away  
And each night reminds me -- it's behind me, but I  
need you today  
I need you today]
