With surgical focus
She stared at me and said
"I'm willing to reach out
Get in to your head"

And I will keep you and cleanse you
She glared at me and wept
A change is not going to hurt you
Not this time

And I've been waiting in line for this
Now that it's taken forever I insist
Until I get it I can't breathe
Climbing high upon the rocky cliffs she flies
With surgical focus, with surgical focus

With surgical focus
She stared at me and said
I'm willing to reach out
Get in to your head

And I will keep you and cleanse you
She glared at me and wept
A change is not going to hurt you
Not this time

And I've been waiting in line for this
Now that it's taken forever I insist
Until I get it I can't breathe
Climbing high upon the rocky cliffs she flies
With surgical focus, with surgical focus

Well, I've been waiting in line for this
Now that it's taken forever I insist
Until I get it I can't breathe
Climbing high upon the rocky cliffs she flies
With surgical focus, with surgical focus

With surgical focus
With surgical focus
With surgical focus
