Someone tell me why I do the things  
That I don't wanna do?  
When you're around me with somebody else

Someone tell my why I act like a fool  
When things don't go my way?  
When you're around me I'm somebody else

There is good reason I guess  
Having it once, gone too far  
When you clean out the hive

Does it make you want to cry?  
Are you still being followed  
By the teenage FBI?

Someone tell me why, someone tell me why  
Someone tell me why I do the things  
That I don't wanna do?  
When you're around me, I'm somebody else  
Someone tell me why, someone tell me why

Someone tell me why I do the things  
That I don't wanna do?  
When you're around me I'm somebody else

Someone tell my why I act like a fool  
When things don't go my way?  
And you're around me I'm somebody else

There is good reason I guess  
Having it once, gone too far  
When you clean out the hive

Does it make you want to cry?  
Are you still being followed  
By the teenage FBI?

Someone tell me why, someone tell me why  
Someone tell me why I do the things  
That I don't wanna do?  
When you're around me, I'm somebody else

Someone tell me why  
Someone tell me why  
Someone tell me why
