### "Waking Up The Stars"

As Iâ€™m waking up the stars Iâ€™m wondering  
How it might me gleaming, standing on my toes.  
Rocking on my heels, reaching for the light beans.

All my soul goes climbing into,  
Places Iâ€™ll never go, impossible to know  
As Iâ€™m wondering once more.

Children wait, children wait.

As Iâ€™m reaching for my dreams Iâ€™m wondering  
How it might be feeling floating towards the ceiling  
No gravity too still, flying over fields

And all my soul goes round and down, too  
Things Iâ€™ll never see reveal themselves to me  
As Iâ€™m wondering once more.

Children wait, children wait.

As Iâ€™m waking up the stars Iâ€™m wondering  
How they might be feeling sitting close to ceiling  
As Iâ€™m wondering once more
