Manstruck-killed by the moonstruck
Fever hits like wide typhoon struck

Gaining steam in forest gloom
Now he belongs to them

Wrong drama addiction
Joycraft is worthless craving
Far too little that I've been saving
Now that i don't have it

What else can be gotten
Make no effort to control
Eternal racket in the soul
Picture me small
For every reason

The coast is wild
Come on one disease
The irritable suits
Destroy immunity

Wrong drama addition...
And life starts here...
