Zoo Pie
All I ever wanted by you
Was to be a man

Get by
Every cop
I beg I will stand

Come on, baby, do it
To me you can do it
I've already a plan

But Zoo Pie
All I ever wanted by you
Come on

Come on
Come on

Come on, baby, do it
To me you can do it
Come on, baby, do it
I know that you can

Zoo Pie
(Come on, baby, do it)
I know that you can
(To me you can do it)

Zoo Pie
(Come on, baby, do it)
I know that you can
Zoo Pie
([Incomprehensible] I know that you can)
