I love you through sparks and shining dragons, I do,  
Now there's poetry, in an empty coke can.  
I love you through sparks and shining dragons, I do,  
Now there's majesty, in a burnt out caravan.

You got me off the paper round, just sprang out of the  
air,  
The best things come from nowhere,  
I love you, I don't think you care.

I love you through sparks and shining dragons, I do,  
And the symmetry in your northern grin.  
I love you through sparks and shining dragons, I do,  
I can see myself in the refill litter bin.

You got me off the sofa, just sprang out of the air,  
The best things come from nowhere, I can't believe you  
care.
