The world is our carpet now  
The world is our dancefloor now  
Remind me how to dance again  
The world is our carpet now

The world is just waiting now  
No staring out windows now  
Our train stopped moving hours ago  
We're here, we're here, we're here

Yes we're here  
Free to run and cry  
Obliged to try  
And nothing here's worth winning without a fight

When I can't move  
I'll enjoy the still for a while  
And lose myself in waves  
And mountains and the sky  
And I'm back here quick as lightning

'Cause we are just seconds  
Seconds in a day

It's a dancefloor now  
No staring out windows now  
Our train stopped moving  
Hours ago  
We're here, we're here, we're here  
What do I do?

Free, free to run and cry  
Obliged to try  
And nothing is worth winning without a fight  
Oh yes we're here  
Free to go insane  
Joy and pain are fighting in the corridors inside

When I can't move  
I'll savour the pause for a while  
And lose myself in waves  
And mountains and the sky

And I'm back here quick as lightning  
'Cause we are just seconds  
Seconds in a day
