What we have
Pigs in the barn
What we Have
Sticks in the door
What we have

Hunny, I don't love you anymore

Oh, what we have
Admit defeat
What we have
There's no deceit
What we have
I want to keep it, I want to take it back

Oh, don't take it back!
What we have

What we have
Those cold windy nights
What we have
Making love by the fire side
What we have
I'm going to give myself away tonight.

What we have
Is the flowers in June
What we have
Oh you fly me to the moon
Oh what we have
I'll be your lover tonight

And I won't pretend you're someone else

What we have! Oh what we have!
Stripping out what we have
Don't break it, Don't break it
Oh don't

How, how, how, how, how, how I adore you
how, how, how, how, how, how I adore you

Oh how, how, how, how, how, how, I adore you
Oh how, how, how, how, how, how I adore you
Oh how, how, how, how, how, how I adore you
Oh how,
How I adore you
Adore you

What we have, might not be much.
