When it's midnight time
You sneak around the grave
You will desecrate again
To satisfy your lust
It's a game you play
Waiting to get caught
Digging up the graves
You are a necrophiliac

They say you're mad, crazy as hell
But do you care? Grave desacrator
You rape the dead, they are just victims
Of your fate, grave desacrator

Spotting the grave
Digging the ground

Excitement fills the air
When the coffin shows
Open up the lid
The stench is strong
From the rotten body
Maggots are crawling

They say you're mad, crazy as hell
But do you care? grave desacrator
You rape the dead, they are just victims
Of you fate, grave desacrator

People say your mad
Cause you lost you brain
Do you think it's sad?
I am insane! HAHAHAHA!

They say you're mad, crazy as hell
But do you care? grave desacrator
You rape the dead, they are just victims
Of you fate grave desacrator
