Rain falls all around me  
It's funny how my vision was clear, and now I can't see  
I look up at the sky  
Where everything is right  
I fall on my knees and cry out to him  
And he wraps his arms around me and says

\*Chorus\*

Through trials and hard times I'll be here  
Through happy times I'll be near  
And I'll catch you when you fall  
b/c I love you above all  
Just believe in me  
Like I believe in you  
My heart is broken, o but why  
If I don't care why do I cry  
I wish someone would love me like you do  
But your love for me is just too good to be true

\*Chorus\*

Through trials and hard times He'll be here  
Through happy times he'll be near  
And he'll catch you when u fall  
Because he loves you above all  
Just believe in him like he believes...  
In you
