I remember the moment, I remember the pain
I was only a girl, but I grew up that day
Tears were falling
I know You saw me

Hiding there in my bedroom, so alone
I was doing my best, trying to be strong
No one to turn to
That's when I met You

All this time, from the first tear cried
'Till today's sunrise
And every single moment between
You were there, You were always there
It was You and I
You've been walking with me all this time
Ooh, oh, oohh
Ooh, oh, oohh
You've been walking with me all this time

Ever since that day, it's been clear to me
That no matter what comes, You will never leave
I know You're for me
And You're a story

Every heartache and failure, every broken dream
You're the God who sees, the God who rescued me
This is my story
This is my story

All this time, from the first tear cried
'Till today's sunrise
And every single moment between
You were there, You were always there
It was You and I
You've been walking with me all this time
Ooh, oh, oohh
Ooh, oh, oohh
You've been walking with me all this time

I hear these people asking me
How do I know what I believe
Well, I'm not the same me, and that's all the proof I need
I found love, I found Your grace
You stole my heart that day

(Ooh, oh, oohh)
Oh,woah
(Ooh, oh, oohh)
You've been walking with me all this time

All this time, from the first tear cried
'Till today's sunrise
And every single moment between
You were there, You were always there
It was You and I
You've been walking with me all this time

Ever since the first tear cried
It was You, You and I
You've been walking with me all this time

Ever since the first tear cried
It was You, You and I
You've been walking with me all this time
