You see my anxious heart,
You see what I am feeling,
And when I fall apart,
You were there to hold me,
How great your love for me,
Now I see what you're thinking,
You say I'm beautiful,
Your voice is my healing,
Without You I just can't get by,
So I'm...

Hanging on to every word you speak,
Cause It's all that I need,
Hanging on to every word you say,
To light up my way,
Even every little whisper, I'm
Hanging on as if it were my life,
I'm hanging on,

And when the darkness falls,
I can't see what's before me,
Your voice is like the dawn
Always there to guide me,
Without you I just can't get by,

So I'm Hanging on to every word you speak,
Cause it's all that I need,
Hanging on to every word you say,
To light up my way,
Even every little whisper,
Hanging as if it were my life,
I'm hanging on,
You know me better than I know myself,
Better than anybody else,
You love is soundinlike a ringing bell,
I won't let go,
Oh, oh, oh, oh, oh
Lalalalala,
Oh, oh, oh, oh
Lalalalala,
Hanging on to every word you speak,
Cause it's all that I need,

Hanging on to every word you say,
To light up my way,
Even every little whisper,
Hanging as if it were my life
I'm hanging on,
Hanging on to every word you speak,
Cause it's all that I need,
Hanging on to every word you say,
To light up my way,
Even every little whisper,
Hanging on as if it were my life,
I'm hanging on,
Oh, oh, oh, oh,
Lalalalala,
Oh, oh, oh, oh,
Lalalalalalala
