You think you know it all
Just wait and see how you got it (got it) wrong
The days are dead and gone
Where you can push and pull me along
No, no more

I'll push harder, don't you bother
Try your best
You can't destroy me
I'll go farther
I'll get stronger
What I got you can't control

Chorus:
You say I'm breaking again
This time I won't even bend
Not giving in
I'm indestructible
You say you're under my skin
I'm not even listening
You'll never win
I'm indestructible

Try to ruin everything
But I'm not letting you get to (get to) me (get to me, oh
no)
Here's what I guarantee
Eventually you'll be weakening (you're weakening)

I'll push harder, don't you bother
Try your best
You can't destroy me
I'll go farther
I'll get stronger
What I got you can't control (no!)

(Chorus)

Here we go
Look in my eyes
Here we go
I'm not afraid to fight

Come a little closer and see what's keeping me alive
Give it up
Without a doubt
Give it up
You're going down
Don't you see that you can't mess with me?

I'll push harder, don't you bother
Try your best
You can't destroy me
I'll go farther
I'll get stronger
What I got you can't control

I'll push harder, don't you bother
Try your best
You can't destroy me
I'll go farther
I'll get stronger
What I got you can't control (no!)

(Chorus x2)

(Indestructible)
