Please, don't let this feeling end
It's everything I am
Everything I wanna be
I can see what's mine now
Finding out what's true
Since I've found you
Looking through the eyes of love
Now I can take the time
I can see my life
As it comes on shining now
Reachin' out to touch you
I can feel so much
Since I've found you
Looking through the eyes of love
And now I do believe
That even in a storm, we'll find some light
Knowing you're beside me
I'm alright
Please, don't let this feeling end
It might not come again
And I want to remember
How it feels to touch you
How I feel so much
Since I've found you

Looking through the eyes of love
And now I do believe
That even in a storm, we'll find some light
Knowing you're beside me
I'm alright
Now I can take the time
I can see my life
As it comes on shining now
Reaching out to touch you
I can feel so much
Since I've found you
Looking through the eyes of love
