The things that I used to do  
Lord, I won't do no more.  
The things that I used to do  
Lord, I won't do no more.  
I used to set and hold your hand, Baby  
Cried begging you not to go.

I would search all night for you, Baby  
Lord, and my search would always end in vain.  
I would search all night for you, Baby  
Lord, and my search would always end in vain.  
But I knew all along, Darling  
That you was hid out with your other man.

I'm going to send you back to your mother, Baby  
Lord, and I'm going back to my family, too.  
I'm going to send you back to your mother, Baby  
Lord, and I'm going back to my family, too.  
'Cause nothing I do that please you, Baby  
Lord, I just can't get along with you.
