You gonna miss me, baby  
Oh Lord, when I'm gone  
You gonna miss me, baby  
Oh Lord, when I'm gone

I tried my best to please you  
But we just can't get along

I'm gonna make a change for the better  
And I want you to understand  
I'm gonna make a change for the better  
And I want you to understand

I tried to be a good child all my life  
But I know I'm not to blame

I said now bye, bye, bye, baby  
I've said my last goodbye  
I said now bye, bye, baby  
You know I said my last goodbye

You know that you treated me wrong  
That I know you thought you'd have cried
