Time after school play on my computer my nuki never leaves my mouth even on the playground or on the rollercoaster I never take my nuki out.

Nuki nuki nuki how I love my nuki I'll smile with it to the end nuki nuki nuki sweeter than a cookie I'll share it with you all my friends.

Nuki nuki nuki how I love my nuki I'll smile with it to the end nuki nuki nuki sweeter than a cookie I'll share it with you all my friends.

All around the world places that you are my nuki never leaves my mouth big and strong I'll be when I'm older but I'll never take my nuki out.

Nuki nuki nuki how I love my nuki I'll smile with it to the end nuki nuki nuki sweeter than a cookie I'll share it with you all my friends.

Mama nuki mama nuki I can see you on the paws
grandma nuki grandma nuki simple man or mickey mouse.

Nuki nuki nuki how I love my nuki I'll smile with it to the end nuki nuki nuki how I love my nuki I'll share it with you all my friends.

Nuki nuki nuki how I love my nuki I'll smile with I to the end nuki nuki nuki sweeter than a cookie I'll share it with you all my friends.

Nuki nuki nuki how I love my nuki I'll smile with it to the end nuki nuki nuki sweeter than a cookie I'll share it with you all my friends.
