Word Up lyrics

By Gun, (Not the Camio Version)

(The Camio cover has different words after the dotted line)

Yo, pretty ladies around the world  
Got a weird thing to show you,  
so tell all the boys and girls  
Tell your brother, your sister and your mamma too  
Were about to go down, and you know just what to do

Wave your hands in the air like you don't care  
Glide by the people as they start to look and stare  
Do your dance, do your dance,  
do your dance quick o-mamma  
Come on baby, tell me what's the word

Word up, everybody say  
When you hear the call, you've got to get it underway  
Word up, it's the code word  
No matter where you say it,  
you'll know that you'll be heard now

All you sucker DJ's who think you're fly  
There's got to be a reason and you know the reason  
why  
why you try to put on those airs and act real cool  
got to realize that you're acting like fools,

If there's music, we can use it, your free to dance  
We don't have the time for psychological romance

No romance, no romance, no romance for me, o-  
mamma  
Come on baby, tell me what's the word

Word up, everybody say  
When you hear the call, you've got to get it underway  
Ow!

(Synth solo)

Dial 'L' for Low

YEAH - YEAH!,

..... (camio version has  
different words from  
this point on)

(Guitar solo)

W, O, R, D, up!  
W, O, R, D, a-ha-ha,  
W, O, R, D, up!  
W, O, R, D, up!

Hyaaaaaaaaaaaaaaaaaaah,  
Hyeah,  
All you sucker DJ's who think you're fly  
There's got to be a reason and we know the reason why  
Why you put on those airs and you act real cool  
got to realize that you're acting like fools,  
No romance, no romance, no romance for me, mamma  
Come on baby, tell me what's the word

Word up, everybody say  
When you hear the call, you've got to get it underway  
Word up, it's the code word  
No matter where you say it, you'll know that you'll be  
heard now
