Here comes the clown - fooling around  
The man with the perfect facade.  
Behind your mask - somehow grotesque  
A snake in the grass - a brown nose fake

For you love and life is just a big game  
Where in the end the winner takes it all  
But it's different my friend  
It's a give and take  
But giving is a thing you'll never know

You're full of hot air  
Nothing's for real what you say or do  
You're ordinary - so bizarre  
Letting your money talk  
Uh - it's meaning all to you  
Who do you think that you are

Bloody pretender  
You're all I hate  
Bloody pretender  
Now I'm seeing through your masquerade

I guarantee - that you're going down that way  
Too late to see - nothing left to change

You're full of hot air  
Nothing's for real what you say or do  
You're ordinary - so bizarre  
Letting your money talk  
Uh - it's meaning all to you  
Who do you think that you are  
Enough is enough  
Man you're not worth a dime  
Don't need a knife in my back  
I don't wanna be a part of your game  
You fucking egomaniac

Bootlicker - pretending to be  
Bootlicker - don't try to suck up on me

Bloody pretender

You're all I hate  
Bloody pretender  
Now I'm seeing through your masquerade  
Bloody pretender  
You're all I hate  
Bloody pretender  
Now I'm seeing through your masquerade
