Walkin' on a thin line  
Always swim against the tide  
I live my life the hard way  
Don't tell me what is wrong or right  
I want easy action  
And I take it in the moment  
When I need it  
There is nothing there to hold me  
Yeah you better believe it

I want it to the max  
Yeah to the full  
Like every day could be my last  
That kind of class  
You just don't learn in school  
So come aboard  
Life is such a blast

Cause I am cheap wild and nasty  
I'm proud of what I am  
The unbreakable man

Cheap, wild & nasty  
And I don't mind  
You'll never understand

You love me or you hate me  
There is nothing in between  
I'm just a psychedelic freak, man  
But cut me and I'll bleed  
If you think that you can push me  
Come on mother make my day  
Don't talk so condescending  
Get out of my hair, out of my face

I want it to the max  
Yeah to the full  
Like every day could be my last  
That kind of class  
You just don't learn in school  
But that's the kind of life  
You will never understand

Cause I am cheap wild and nasty  
I'm proud of what I am  
The unbreakable man  
Cheap, wild & nasty  
It's too late  
To change the way I am

Cheap, wild & nasty  
I'm proud of what I am  
The unbreakable man  
Cheap, wild & nasty  
And I don't mind  
You'll never understand  
Cause I am cheap wild and nasty  
I'm the incredible unbreakable man  
Cause I am cheap wild and nasty  
And I don't care  
You'll never ever understand anyway
