Every single morning  
When I open up my eyes  
I' got the same old picture in my head  
I've got that urgent feelin' and I want it  
Hope that I'll live that long  
And I'll have it  
Too see you burn in hell  
Would be the greatest thing for me  
Just make my wish come true  
And set me free  
I would give so much to see the day  
Oh I want It  
Lord I want it so bad

Your arrogance  
You know it makes me sick  
You're on top of the world  
You can suck my dick  
You made a fast career  
Building towers of fear  
A user, an abuser  
You're too far gone  
And it won't be long  
You'll lose it  
Dude, you're going down

Got no class  
You can kiss my ass  
You preach religious war  
But we know the score  
Spreading media lies  
Just to capitalize  
A taker, wanna break ya  
You can scream you can yell  
But I'll see you burn in hell

You're wanted  
You're a wanted man  
I'll see you hang by the neck until your dead  
You're wanted  
You're a wanted man  
I'll see you hang by the neck until your dead

Axis of evil  
Did you lose your mind?  
Serial killers should be doin' time  
And you know it  
You can run you can hide  
Use your family ties  
You can scream you can yell  
But I'll see you burn in hell

You're wanted  
You're a wanted man  
I'll see you hang by the neck until your dead  
You're wanted  
You're a wanted man  
I'll see you hang by the neck until your dead

Please make my wish come true  
And set me free
