I may be

just like Bill

I'm up on the hill

and I can't get down

I cry because you don't know

I cry because you will never know

just how dark can an animal be?

how dark can an animal be?

Dark like darkness

dark like a devil out in the woods now

I saw the light

that just buzzed

I saw the light

but, my brain just buzzed

I cry because you never know

I cry because you will never know

just how black can an animal be?

how black can an animal be?

Dark like darkness

dark like a devil out in the woods now

Train

Train I ride

train I ride

ride on me

ride on me
