Well, this is what I've never told you
yes, we are animals too
and it'll be a life of "getting back"
for a night of "getting off"
but, I couldn't wait
now, eternally is hereâ€¦
"I never promised you anything
for promising me everything," she said.
"I stood silent and true
while you fell to pieces."
but, I couldn't wait
and, eternally is hereâ€¦
and it's a long way downâ€¦ without a soundâ€¦
You've known I've always wanted you
and since today is the end of the world
you're heart and no more art (your?)
will hold me tonight!
but, I couldn't wait
now, eternally is here...
and it's a long way down... without a sound...
(solo: Jeffreylee)

This is what she always said:

"I will give to you of love and blood

for all the forever and never

and yet, still again and again..."

but, I couldn't wait

now, eternally is here...

and it's a long way down...

without a sound in this world...
