Kim was in the air force
he dropped fire from the air,
He grabbed that heater
that was sitting in his hand
he gave it to them
and put 'em in the foreign sand
he was one hell of a man
Kim dropped fire on the people
fire on their face and hands.
He had their families
their mothers and their kids
he said he'd "Head 'em!"
and that's just what he did,
Everybody loved My Cousin Kim
Everybody loved My Cousin Kim
Everybody loved My Cousin Kim
they say
Kim was in St. Louis
at Missouri Inn Hotel
He gave it to them
with that heater in his hand

he put it to them
in the Texas sand,
he was one hell of a man,
Everybody loved My Cousin Kim
Everybody loved My Cousin Kim
Everybody loved My Cousin Kim
they say
Kim was at the airport
and the faces stared at him.
He grabbed that heater
which was burning in his hand
he gave it to them
buried in concrete!
Everybody loved My Cousin Kim
Everybody loved My Cousin Kim
Everybody loved My Cousin Kim
they say
