Temptation & I

Temptation & I

money lost in back of the car

memory brings light

temptation & I

so, hold on, hold on, hold on,

open the sky

Temptation & I

empty bedroom at night

alone as the dawn's iron gates

in the workhouse light

eyes in the firelight

so, hold on, hold on, hold on,

open the sky

When dawn comes

the morning bleeds

they drink to sleep

so are the shouts

that call you

that want you to play again

Temptation & I

Temptation & I
comes the morning
whistles the sign
that brings on the light
memory brings light
so, hold on, hold on, hold on,
open the sky
