### "The Fire Of Love"

The fire of love is burning deep  
The fire of love won't let me sleep  
Oh my love, hear this my plea  
Because of you, it's burning me  
The sun beats down with its fiery glow  
Knows I won't see my love no more  
I'm sorry for the things I've done  
Forgive me dear, my only one  
My baby's back, once more she's mine  
To have and hold till end of time  
The moon shines down from up above  
Its light to cool the fire of love  
The fire of love  
The fire of love  
(fade)
