The wind has gone  
The invisible come  
Your memories are being run

The mountain scarred  
By invisible bars  
The stillness is on guard

Oh, the wind will come  
Blow, answer echo's answer

The mountain mine  
From invisible time  
I am next in line  
The message sent  
Was of discontent  
From incline to incline

Oh, the wind will come  
Blow, answer echo's answer

The wind is near  
The invisible hear  
Come my thoughts away from fear

Oh, the wind will come  
Blow, answer all these echo's
