Endless night
Laced with time
Under unreal light
With the Goodbye Girls

Pendant heart
Counterpart
Under unreal light
With the Goodbye Girls

Fraudulently
They love you
I think of you

You're in a sleepless dream
The insincere

Vacantly they listen
Giving no emotion
Leaving no impression
Love you all night
Love you all night

Honesty
Sweet deceit
You're in a cut up world
With the Goodbye Girls

Love distilled
For your guilt
Feelings superimposed
On the Goodbye Girls

Fraudulently
They love you
I think of you

Vacantly they listen
Giving no emotion
Leaving no impression
Love you all night

Vacantly they listen
Giving no emotion
Leaving no impression
Love you all night

Love you all night
Love you all night
Love you all night
