You can see in miniature
Everything is so small
Close to the ground, you have found
There's no need to worry at all.

We could go to the cinema
Where everything would be so tall
But you hang around
The man that you've seen around town
There's nothing to do, since you

Broke up from school.

We could go into the cinema
Where everything would be so tall
But you hang around
The man you've seen around town
There's nothing to do, since you
Broke up from school
Ah, Ah, Ah
