Oh let me sail away  
On the beach and on the earth  
The boats on the sea are blissfully freee  
They will come to no harm  
'cause the waves are so calm

Oh let me think a while  
To the playground of your smile  
The wind through the flame  
Whistles your name  
Though you said good bye  
You did not leave my mind

Oh i've got to get away  
From this town don't want to face  
The ominous clouds

but not now  
not now  
not now

I've got to find a place  
Be myself and learn to face  
The ominous clouds

but not now  
not now  
not now

I want to sail away  
Want to look back on the day  
And hide with my hand  
What's left of the land  
Though I leave it behind  
It will not leave my mind

Oh i've got to get away  
From this town don't want to face  
The ominous clouds

oh not now  
not now

not now

I've got to find a place  
Be myself and learn to face  
The ominous clouds

but not now  
not now  
not now
