I need a little help now
Come and help me sing this song
Yeah, whoa, yeah, yeah

I would take the stars
Out of the sky for you, yeah
Stop the rain from falling
If you asked me to

I'd do anything for you
Your wish is my command
I could move a mountain
When your hand is in my hand

Words can not express
How much you mean to me
There must be some other
Way to make you see, yeah

If it takes my heart and soul
You know I'll pay the price
Everything that I possess
I'd gladly sacrifice

[CHORUS]
You to me are everything
The sweetest song that I could sing
Oh, baby, oh, baby, oh, baby
To you I guess I'm just a clown
Who picks you up each time you're down
Oh, baby, oh, baby, oh, baby

You give me just a taste of love
To build my hopes upon
You know you've got the power, girl
To keep me holding on

So now you've got the best of me
Come on and take the rest of me

Though you're close to me

We seem so far apart
Maybe, given time
You'll have a change of heart

If it takes forever, girl
Then I'm prepared to wait
The day you give your love to me
Won't be a day too late

[Repeat CHORUS]

You give me just a taste of love
To build my hopes upon
You know you've got the power, girl
To keep me holding on

So now you've got the best of me
Come on and take the rest of me

[Repeat CHORUS 2x]
